Please indicate your Collection Program selection(s):

Ink Jet *Future Funds* Collection Program

Option 1

- This program is a selective take-back program. Please be aware this list will include Epson, HP, Dell, Lexmark, etc. at highly competitive values (commissions paid.)
- Only select cartridges accepted. Dealer must sort and submit the order for approval.
- Cartridges must be aggregated and returned via box only. Boxes provided.
- Competitive market-driven cartridge values revised on a monthly basis.
- Penalties for non-program cartridges may apply.*

* Per the terms of the program.

Laser *Renewable Funds* Collection Program

Option 1

- This program is a selective take-back program.
- Competitive market-driven cartridge values revised on a monthly basis.
- Commissions are based on return method (boxes vs. pallets.)
- Only select cartridges accepted. Dealer must sort and submit the order for approval.
- Penalties for non-program cartridges may apply.*
- Higher overall commissions.

* Per the terms of the program.

Ink Jet *Clean & Green* Collection Program

Option 2

- Dealer agrees to send back all ink jet cartridges.
- No sorting is required of Dealer.
- Cartridges must be aggregated and returned via box only. Boxes provided.
- No commissions. Freight and processing are currently paid.
- Sales and collections performance reviewed quarterly to ensure that the account is self-sustaining.
- Environmentally responsible choice to ensure that all empties are reused, remanufactured or recycled.

Laser *Recycle to Renew* Program

Option 2

- Dealer agrees to send back all laser cartridges.
- No sorting is required of Dealer.
- Return by pallet only. Loading dock required (lift-gate capabilities are not provided.)
- No commissions. Freight and processing are currently paid.
- Sales and collections performance reviewed quarterly to ensure that the account is self-sustaining.
- Environmentally responsible choice to ensure that all empties are reused, remanufactured or recycled.
